held on September 15
at 10:00. Come join
us to welcome them
to Winterville.**

Chamber Welcomes New Members

The Chamber is happy to welcome two new members to our organization this month. First we would like to welcome Jaac & Jill Academic Enrichment. The owners, Asiya Khatoon and Christie Leary (pictured below),

were looking for a way to assist families with this year's new school schedules. With some students doing remote online learning and others following the system's A-B week learning option, parents were/are struggling to find what is best their children's educational needs. Jaac & Jill offer parents a solution to this problem. They are offering supervision and instruction to accommodate each option. They are located at 4125 Old Tar Road and are open from 7:30 am to 6:00 pm. They

time basis or on a week on/week off basis. They offer students a safe, caring and encouraging learning environment and are able to assist students with all their technical computer needs connected with online learning. We are happy to have them as part of the Chamber and thank them for helping the children of our community.

Our second new member is Cross & Crown Christian Store located at 3928 Lee Street in Ayden. They were formerly known as the Free Will Baptist Press. Our contact is Darren Davenport (below) who

serves as their VP/Operations Manager. The President/CFO is Rick Waston. They are a non-profit organization that offers Church supplies and print materials for churches and the public across the eastern US. They have a wonderful retail store with all types of books, gifts, children activities and DVD's. They supply churches with clergy supplies, furniture, communion supplies and much more. (continued)

also offer after-school pick-up and supervision. They are able to accept students

Cross and Crown continued

Cross & Crown writes and produces the Sunday School quarterlies for FWB churches across the eastern US. They also have extensive printing capabilities to produce fliers, signs and all types of print projects and mailing services. Visit them for your next printing needs. You've got to visit their showroom and see this gem. We are happy to welcome them to the Chamber.

COVERING GREENE AND PITT COUNTIES

Teacher Welcome Back Goody Baskets

Again this year, the Chamber welcomed back our teachers to our Winterville schools. With the help of Sam's Club, we supplied 10 schools with Goody Baskets for 580 staff members. We even had enough to also provide goodies to our Fire, Rescue and Police Departments.

Thanks to everyone who helped make Goody Boxes and those who help to deliver them. It is important to let people know they are appreciated. And it helps to make Winterville "A Slice of the Good Life".

Comments from your Chamber Director

Happy fall, ya'll. I am so ready for cooler temperatures and a change of season. Things are perking up. The Chamber has gained three new members this month with a couple others joining us soon. I feel as though we are slowly leaving the cocoon and getting a little closer to normalcy. I will be happy when we can get together again as a group for meetings and a Business After Hours. Join us for Marabella's Ribbon Cutting on the 15th and keep a watch for emails for other events as the social gathering restrictions ease. Remember to shop locally when you can and support our locally owned businesses. The Chamber thanks you for your continued support and remember as always, my business is making your business better. If I can assist you in anyway, please contact me at 531-4590 or davery60@hotmail.com.
